---

Roy, we got three tweets, below. Looking at the top one, we didn't do a release, right? Larry

**Amy Galford @amy\_galford** If I could find the **@EPAregion3** info on the well results in Dimock in a press release on their website I'd RT that.

**EPCNews @EPCNews** via MarcellusGas: **@EPAregion3** Releases More **#Dimock** Tests: "Sampling did NOT show levels of contaminants that would... <http://dlvr.it/1YJgGW>

**Marcellus Gas @MarcellusGas** **@EPAregion3** Releases More **#Dimock** Tests: "Sampling did NOT show levels of contaminants that would give EPA reason to take further action."
